Hi John. Thank you for making the electronic files unsecured. They seem to be working well. As for the list of recipients, I've noticed in the last two progress reports that you've shrunk the list to only the three recipients in my email below. That list was meant only to clarify the addresses and number of hardcopies for submittals to EPA recipients. I wasn't suggesting that you take the other recipients off the list. I'm sorry if I wasn't clear. I think you should continue including the other recipients unless you've worked something out with them. At a minimum please continue to include Byung Maeng, and continue to email progress reports and pilot study documents to Aaron King.

These are the recipients missing from the list:

- David Blount/Landye Bennett Blumstein
- Byung Maeng/Ecology
- Paul Linskey/Rhodia
- Aaron King/USACE (email)

Thanks,  
Janette

John,  
As we talked about recently, I'm requesting that Wood provide all submittals to EPA electronically in pdf unsecured format to allow us to load it into our electronic record keeping system. In addition, please reduce the number of hardcopies to three which is consistent with Section 7.9 of the Order. The three people to receive them at EPA, and correct addresses and mail codes, are:

Jennifer MacDonald  
U.S. EPA Region 10  
1200 6th Ave, Suite 155, 11-C07  
Seattle, WA 98101-3188

Lee Thomas  
U.S. EPA Region 10  
1200 6th Ave, Suite 155, 14-D12  
Seattle, WA 98101-3188

Janette Knittel  
U.S. EPA Region 10  
1200 6th Ave, Suite 155, 15-H04  
Seattle, WA 98101-3188

Please let me know if you have any questions or concerns.

Thanks,  
Janette
